# **Gold Wing Road Riders Association February Rider Education**

*Riding is our passion. We'd rather ride than just about anything else. But it's vitally important to be safe, so that we can continue to ride again and again! T-Clock is one way to help us remember how to keep our bikes in top shape for safety's sake.*

*T-CLOCK is a mnemonic developed by the Motorcycle Safety Foundation for assisting you in doing a comprehensive pre-ride (or a pre-purchase) inspection of a motorcycle. It is easily memorized and very useful. The individual letters stand for the specific areas to check:*

- T — Tires & Wheels*
- C — Controls*
- L — Lights*
- O — Oil*
- C — Chassis*
- K — Kickstand*

*The inspection checklist is available on the web on the Motorcycle Safety Foundation website. It will also be available at the February monthly meeting.*
