

Greetings,

Here we are, another month come and gone. It seems time really flies by these days. Many of our northern friends have already hit the road back north. I trust they have safe journeys and a great summer.

Already this month we have had 5 ERC classes, 2 trike classes and a number of RE seminars presented at the chapter level throughout the district. Fantastic job to all those involved! I applaud all those that spend their free time keeping our members knowledgeable, informed and safe that they may have more FUN in their riding experience.

As many have already heard the district REP has been restructuring our service to the district. We are planning to put into place a RE representative for the northern, central and southern chapters to better meet their needs. This will be forthcoming in the near future.

As March concluded the first quarter of 2012 I had the honor of submitting my quarterly Rider Education report to Region with wait for it 100% reporting from the entire Florida District! Team Educators, you are the greatest!!

We were able to get our raffle tickets ready a littler earlier this year and have already distributed about half of them. This helped chapters get them in the hands of our northern members before they headed north. If your chapter hasn't requested tickets yet please either call or drop me an email and I'll get them to you as soon as possible.

Rick & Pam Northrop
