

FL 1-T

Gold Wing Road Riders Association February Rider Education

Riding is our passion. We'd rather ride than just about anything else. But it's vitally important to be safe, so that we can continue to ride again and again! T-Clock is one way to help us remember how to keep our bikes in top shape for safety's sake.

T-CLOCK is a mnemonic developed by the Motorcycle Safety Foundation for assisting you in doing a comprehensive pre-ride (or a pre-purchase) inspection of a motorcycle. It is easily memorized and very useful. The individual letters stand for the specific areas to check:

- T — Tires & Wheels*
- C — Controls*
- L — Lights*
- O — Oil*
- C — Chassis*
- K — Kickstand*

The inspection checklist is available on the web on the Motorcycle Safety Foundation website. It will also be available at the February monthly meeting.

Ride Safe,

Butch and Kathy
